ABOUT THE MAGAZINE

Introducing America To The New Way To Image

Over three million U.S. consumers will buy digital cameras this year. Since 1998 DIGITAL Photographer has been the best selling newsstand guide to these hottest products in consumer electronics.

Whether the reader is an absolute beginner or a hobby enthusiast, this is the publication that explains it all what to look for when buying, how to edit captured images on a home computer, how to select the best printer, how to get those images
