

HP Photosmart R707 digital camera with HP Instant Share

Take crisp, sharp photos at 5.1 MP resolution for outstanding prints and enlargements up to poster-size with the HP Photosmart R707 digital camera. Capture moments near or far with 24x total zoom—3x optical, 8x digital—and 10 shooting modes. Exclusive HP Adaptive Lighting, when enabled, reveals details in shadowed faces or in the background of high contrast photos. In-camera red-eye removal eliminates red-eye without additional flashes or software touch-ups. Learn to take great photos with the least amount of effort with HP Image Advice.

Snap a photo and select on the camera where it will go the next time you dock or connect to the PC using HP Instant Share—the easiest way to send photos via e-mail without burdening receiver with large file attachments. On-camera manual controls allow you to adjust the camera for more creative photos. Optional dock charges two lithium ion batteries (in-camera and included spare) and enables digital photo slide shows on TV with a remote.

Crisp, clear photos for great prints—HP's 5.1 MP camera features exclusive HP Real Life technologies.

with HP Instant Share

Crisp, sharp photos

- Take crisp, sharp pictures with 5.1 MP resolution for true-to-life prints and outstanding enlargements up to poster size. With 24x total zoom—3x optical, 8x digital—and 10 shooting modes, this stylish camera offers power and flexibility.

See details in shadows

- Automatically brighten select areas of photos with HP Adaptive Lighting technology—bring details out of the shadows for shots that look more like what you see with your own eyes.

Exclusive HP Real Life technologies

- Become a better photographer with exclusive HP Real Life technologies—includes in-camera red-eye removal, HP image advice, and panorama preview mode.
- Use in-camera red-eye removal to eliminate red-eye without software touch-ups.
- Take accurate, multi-shot photos in panorama mode—intuitive system shows where to start the next photo—then review them on your camera LCD.
- Use HP image advice for instant analysis and ideas on how you can take better photos next time.

HP Instant Share

- Snap a photo and choose from up to 34 destinations—e-mail addresses, online albums and more—you've set up on your camera. Dock or connect the camera to your PC and HP Instant Share sends the photos—without burdening friends with large attachments.

Docking capability

- Charge two lithium ion batteries at once—one in the camera and one in the spare battery bay. Easily send photos to PC or printer, plus view photos and video on TV with the optional HP Photosmart R-series dock (not included, purchase separately).

HP photo software included

- Complete digital photography tasks with an easy-to-use program—HP Image Zone.
- HP Memories Disc Creator software—create your own digital photo slide shows and view them on a PC or TV with DVD player (cd-writer not included, purchase separately).

Great photo features

- Adjust and enhance your photos with manual controls and HP-exclusive settings.
- Stylish and durable, brushed stainless steel construction with ergonomic grip.
- Never miss a moment—shoot video clips with sound or a series of photos using burst mode.
- 32 MB internal memory, plus SD card slot for added capacity and easy sharing.
- Includes rechargeable lithium ion battery and recharger.
- Easily print photos—without a PC—directly from your camera to HP Photosmart printers and select HP all-in-ones via included USB cable or with a memory card (the camera supports PictBridge for worry-free photo printing)

Easy connection and support

- Works easily with USB compatible PC and Mac®.
- One-year limited warranty backed by HP's 24-hour, 7-days-a-week Customer Care service and support.
